

Dog Walker Terms & Conditions

By booking the park, all users agree to the following terms & conditions:

1. **Insurance:** Professional dog walkers must maintain appropriate insurance and provide evidence of such insurance upon our request.
2. **Responsibility for Dogs:** Dog walkers always remain responsible for the supervision and control of all dogs in their care.
3. **Cancellations:** Cancellations must be notified by 11.59pm on the Sunday before the booked week. Any cancellations received after this time will be chargeable.
4. **Sharing Bookings:** Booked time slots may not be shared with, transferred to, or used by any other professional dog walker without our prior written approval. Unauthorised sharing or transferring of bookings may result in cancellation of the booking or suspension of future use.
5. **Waste Disposal:** Complimentary dog poo bags are provided for public customers only. Professional dog walkers must always provide their own waste bags. All dog waste must be collected and disposed of in the bins provided. No other waste, including towels, mats, food packaging or general rubbish may be placed in our bins.
6. **Damage:** Dog walkers are responsible for any damage caused by themselves, their employees, agents or dogs and may be charged for any repair/replacement costs incurred.
7. **Security:** Users must ensure all gates are securely closed and latched upon entry and exit to the fields. Whilst we take reasonable steps to maintain the security of the premises, users acknowledge that no facility can be guaranteed to be completely escape-proof and that they always remain responsible for the supervision and control of their dogs.
8. **Digging:** We reserve the right to refuse entry to dogs that repeatedly cause damage via digging, as this poses a danger to other dogs using the field.
9. **Arrival & Departure Times:** Users must vacate the park promptly at the end of their booked session to avoid impacting subsequent bookings.
10. **Reporting Defects:** Any damage to fencing, gates, locks or other facilities must be reported as soon as possible.
11. **Right to Refuse or Terminate Bookings:** We reserve the right to refuse, suspend or terminate bookings where these terms are breached or where we reasonably believe continued use may pose a risk to people, dogs or property.
